

SNAP PARENT CARER FORUM

CENTRAL BEDFORDSHIRE

We hope you are all keeping safe and well.

We have been in contact with the Special School Headteachers in Central Bedfordshire and thought it would be helpful to share the advice they are giving to parents to ensure their schools can stay open as much as possible.

As the new strain of COVID-19 seems to be a 'super spreading virus' it is really important you keep to the guidance and do not mix with other households unless they are part of your support bubble.
